SWIVEL & NON-SWIVEL BARSTOOLS

Comfort that Never Takes a Backseat

A new twist on old school aesthetics. These work-horse barstools are built with the highest quality materials and are constructed to offer durability surpassed by none. Create your own look with optional channeled or button-tufted backs, or add a touch of retro sophistication with brass nail trim (see pg. 7). With more than 30 standard powdercoat finishes and an endless upholstery palate, you can create a barstool uniquely your own.

All models available with your choice of more than 30 standard MTS powdercoat finishes. 909-C model caster bases feature 2-1/2" all-metal "Windsor Antique" brass casters designed for carpeted floors. Contact MTS for alternate casters for hard-surface floors.

Marquis, Novella, Essence Features & Options

Standard Features

- All-steel frame for unparalleled structural integrity.
- 831 and 832 constructed with 4 individual components bolted together for ease of re-upholstery.
- 810 features a solid, one-piece welded steel frame with separate seat.
- COMFORTweb® seat features flexible support for 3" of luxurious COMFORTweb® foam.
- The Novella/Essence features a flexible lumbar support back as standard.
- 810, 831 and 832 all feature a removable/replaceable seat.

810, 831 and 832 all feature an all-steel frame, for unparalleled reliability.

Leg Options

831/832 standard wood legs available in any standard MTS stain. Refer to Finish/Color Selector.

Optional metal legs, 831 square and 832 round. Specify ML.

Optional casters available on 810, 831 and 832. Specify C.

2" Button on Inner Back

Available on 831 and 832 models. Specify B after model number. For two-tone button, specify BTT.

Optional Swing-Away Tablet Arm

- Rotation – A 360-degree rotation with 2 positive spring-loaded stops allows easy entrance and egress.
- Removable – Slide-in friction fit secures tablet on either side.
- Reversible – Accommodates left- or right-handed persons.
- Available on models 831 and 832.

Specify RTA for right-handed tablet; LTA for left-handed; or TA for reversible (accommodates both right- and left-handed tablet use).
